REMARKS

REFERENCE COPY

DO NOT CIRCULATE

25X1

1. The airfield was about 3 km southeast of Liegnitz (O 52/B 62), along the road to Jauer (O 52/B 90), northeast of the Neuhoef estate. *

2. Four stationary searchlights and some AAA emplacements were around the field. **

* ☐ Comment. For layout and location sketch of airfield, see Annex. The sketch is correct as to the location of the field. The correctness of the layout data cannot be verified for lack of comparable information.

** ☐ Comment. It is believed that the field is still occupied by Soviet Air Force only. ☐
